Department of Surgery

## Surgery Grand Rounds

April 9<sup>th</sup>, 2024 | 8AM – 9AM  
Alumni Auditorium & [Zoom](#)

### *Firearm Wound Ballistics – One Size Does Not Fit All*

David J. Ebler, MD, FACS  
Associate Professor of Surgery  
University of Florida College of Medicine -  
Jacksonville  
Trauma Medical Director - UF Health Jacksonville  
Medical Director - TraumaOne Flight Services  
Department of Surgery - Division of Acute Care  
Surgery

#### Learning Objectives

Upon completion of this activity, participants should be able to:

1. Gain a basic understanding of firearm ballistics and terminology
2. Explain the differences between a handgun, a high powered rifle, and a shotgun and their differing types of injury patterns
3. Learn to use ballistics and kinetics to help diagnose and plan the treatment of injuries

#### **Disclosure**

Dr. Ebler has disclosed that she has no relevant financial relationships. No one else in a position to control content has any financial relationships to disclose. Conflict of interest information for the CME Advisory Committee members can be found on the following website: <https://cme.ufl.edu/disclosure/>. All relevant financial relationships have been mitigated.
